**Fridays at the Hood – Live Music Returns to Historic Hood Mansion for the 2026 Summer Concert Series**

Santa Rosa, CA — Fridays at the Hood returns to Hood Mansion for its fourth season beginning June 19, 2026. Set against the backdrop of Hood Mountain Regional Park and surrounded by majestic redwoods, the outdoor Summer Concert Series brings together world-class bands, dancing, food vendors, and community spirit for ten consecutive Friday evenings.

Produced by A Miracle Production {AMP} and sponsored by the Peace & Justice Center of Sonoma County, Fridays at the Hood continues the revitalization of a welcoming, community-centered music experience. Concertgoers can dance in front of the Levi Lloyd Stage or relax with family and friends beneath the stars.

Kids 12 and under are free. Attendees may enjoy food vendors, beer and wine available for purchase, or bring their own picnic while enjoying unforgettable sunset views and live music.

“This series is about bringing people together through live music, connection, and community,” says Producer Shekeyna Black. “Fridays at the Hood has become a summer tradition where people can relax, dance, and enjoy incredible music in a truly special environment. The Ground is Being Prepared for More Joy with Our New Dance Floor.”
